### **EXAMINER'S AMENDMENT**

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

The application has been amended as follows:

Claims 2-12, 14-24, 26, and 28-29, change first occurrence "A" to --The--.

#### ***Allowable Subject Matter***

2. Claims 1-30 have been allowed.

The following is an examiner's statement of reasons for allowance:

As to claims 1-26, patentability resides, at least in part, in the combination of: a method for building a product data tracking history of a manufacture of a product, including utilizing a central computer device, connected to a communication network, installing a diagnostic tool on the product, assigning a unique product identity code, connecting the product to the communication network, remotely operating the tool to provide the product specification, building the product tracking data history, in further combination with the other limitations of the base claims.

As to claims 27-30, patentability resides, a computer program for causing a computer for the method of claims 1-26.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably
